PURRFECT DEFENSE

Instagram TikTok X YouTube Discord

BY:

CRITTERCAL CREATIONS

PITCH:

The kingdom of Catela is under siege by an ancient evil not seen for centuries!! Controlled by an unknown force, the creatures must feast!

It is up to you control the defense! Set up your cat army on a wide range of different maps and defeat the oncoming horde!

DESCRIPTION:

Purrfect defense is a tower defense game that centers the world's best creatures, CATS! The player takes heed of the army of Catela and must defend the Kingdom. Continue fighting back the horde and get to the bottom of the evil behind this siege!

HISTORY:

Catela is an ancient kingdom in the world of Purrela. Seeing over four thousand years of peace and prosperity, the kingdom finds itself facing an ancient evil unbeknownst to the world. It is up to the royalty and their army to vanquish the evil, before it is too late!

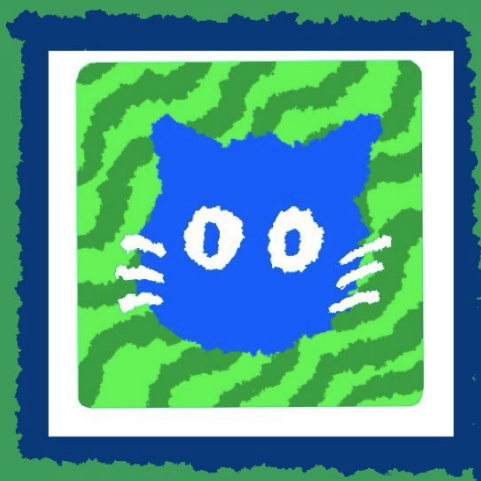

FEATURES:

Made exclusively for Android and iPhone, Purrfect Defense boasts a wide range of features!

- Single Player mode spanning several maps with a linear story, including a sandbox mode!
- Multiplayer team-up and versus modes!
- Daily updating shop with cosmetics for each character cat-type
- Planned future updates with new maps, characters, modes, and cosmetics!
